FEBRUARY 2021 | NEWSLETTER

HSC President's Letter by Sarah Mummert

Happy February! Thank you to all of you who are with us through this year! We are so happy and excited that we can offer opportunities together, even though we know meeting virtually certainly isn't ideal. Our social was very fun and we thank all of our leaders for their time and creativity!

The heart of winter can be cold and dreary and we are thankful for technology and time to gather and see your faces. We are looking forward to the opportunities to continue to get to know each other. We are thankful for the health and wellbeing of all of our members, especially those who have overcome Covid and Cimara who successfully got her new heart. We are so thankful for you.

We are appreciating the beautiful snow covered mountains and beauty around us. Military life has certainly shown us all how to adapt and roll with changes and it's a blessing to be in a group with others who 'get it'. We appreciate your ability to adapt and grow with us. We are always welcoming new ideas, such as Miranda bringing us Yoga, and you can message any board member anytime! We have board positions available and we are always open to help. Please let us know if you can share your talents!

As always, we hope to be here for your good times and your low. Reach out to us anytime. If you at any point just want to share a 'cup of coffee', a board member would love to zoom or facebook with you or join us at Sip and Chill. Thank you for sharing your life with us.

We are excited for our February activities and look forward to seeing you at our **SOCIAL VIA ZOOM FOR BOX OFFICE TRIVIA NIGHT ON FEBRUARY 9!** We also have another fundraiser this month, more information below! Thank you again and we are excited to explore these activities with you!

Keep heart and have a happy and healthy February.
Thank you,
Sarah

Great
News!

In honor of Heart Month,
we would like to
Celebrate Our
Hardworking and
Dedicated Board Member
and beloved friend;
CIMARA, on getting her
New Heart!
CIMARA - we are so happy
for you and here for you.

Hi I'm **MIRANDA SMITH**, originally from West Virginia. My husband and I have been married for 4 years and pcs'd here from Eglin. We have been in Utah for 7 months. I absolutely love it! Super excited to explore all around the area. I'm a nurse by trade but enjoy playing piano, sewing, practicing yoga, and playing with my adorable puppy Bellatrix. I've been in the club for about 5 months. I'm so excited (for so many reasons!) for Covid to calm down so I can meet you all! But until then, I'm looking forward to getting to know you all over Zoom.

Special Activities

We appreciate your flexibility and willingness to attend virtually to help keep each other safe. As soon as the County and the Base have permissions that are feasible-we will attempt meeting in person. We know it is harder virtually, but this way we can have a schedule and not need to cancel an activity/gathering. Thank you. Our leaders put much time and wait on zoom- so please hop on and join in- and as always-invite a friend.

New Class!

YOGA 30 minute flow class (Taught by our Spotlight Member Miranda Smith):

Yoga has been a part of my life for just three years, and my practice has helped me grow stronger-- physically, mentally, and emotionally--both on and off the mat. Although I've completed teaching certifications, I'll always be a student of the practice. I love to teach and share what I have learned. All levels are welcomed with no judgment. I seek to help others thrive in life by nurturing body, mind, and soul with yoga. My hope is that you step off the mat feeling refreshed, nourished and balanced.

BOOK CLUB::

The Hill Spouses' book club is a place for all book lovers to meet and discuss any captivating books we choose. We meet once a month to discuss a book of our choice, enjoy some snacks, drinks and company. We love to laugh and share our own diverse understanding and experiences through our love of literature.

ENERGY CLUB:

Do you like to go on fun adventures and trying new things? Come out and see beaUTAHful with us! Let's hike, tube, snowshoe, ice skate, and ski our way through the season. Each month will be a different activity. We'll try our hardest to find an adventure to suit all levels of outdoorsy throughout the year!

GAME NIGHT:

Join us for Game Night (which is replacing Bunco for now) on Zoom. The fun of a game night, can make these quiet evenings seem a little less strange and a lot more nostalgic. Battling it out with friends might even ease coronavirus-related anxiety, at least for a little while, as you focus your mind elsewhere.

SIP AND CHILL:

Let's hang out together on zoom, sipping your favorite drinks and eating a snack while we sit around talking and getting to know each other, maybe even play a fun game or two.

MORE SPECIAL ACTIVITIES:

We hope to offer more in-person activities very soon. You can read about the other activities at our website <https://hillspousesclub.org/events/special-activities/>
