

HILL AFB SPOUSES' CLUB

MAY 2021 | NEWSLETTER

President's Letter

Dear Members,

Thank you for allowing me the opportunity to be the President this year and for taking the time to read our newsletter and other forms of communication during this crazy, tough year! Thank you again for standing by us and supporting us, and we hope you were able to connect. We mostly hope that if you are still at Hill next year, that you will stay with the HSC!

We DO get to meet in person in May! We will be following all mandates at our May social, and hope to see you there! Thank you for supporting our fundraisers and helping raise scholarship funds. We will announce the award later in the month.

I would like to also thank the amazing board that I was blessed to serve with this year! This board took things in stride, had my back, thought of your best interests and dealt with constantly shifting and changing mandates. They each put in extraordinary support, hours, time and effort in addition to their own changing lives. I will forever appreciate their growth and the challenges they overcame while

fulfilling their roles. Your friendships are a blessing to me, and each of you and who you are- are such blessings to everyone with the HSC.

My VPs Monica and Sarah- thank you! You took on so many phone calls and last-minute messages from me for discussions, brainstorming and decisions. You took on extra roles to raise money for our club and continued to be supportive, humorous, compassionate and open hearted through everything this year. Thank you for everything you did this year for me, the board and the club!

Nicole Y. and Elizabeth; what amazing Treasurers! Keeping our bills paid, our balances budgeted, our club running and our donations active! I appreciated everything you did, -from your ideas and support to your great communication and friendship! Thank you for the hours and hours of work you put in for us all!

Taylor, as our secretary- we talked almost every day! You balanced our schedules and organized Zoom meetings to help us adapt all our activities, ideas and communications to a year that suddenly went entirely virtual. Thank you for your amazing ideas, support and flexibility! None of this would have been possible

without you!

Jodi- you helped us in many ways all year and as I got to know you and your heart and ideas- it was an easy choice to ask you to serve with us as the Parliamentarian. You came in supportive and excited and were a joy to work beside and talk to you so much! Thank you!

Shannon- what an amazing Membership Chair! To say you went above and beyond still falls short in what you did for our members, reaching out and supporting spouses and upholding the best interests of the club. I appreciated your support, kindness, ideas and ability to give so much of yourself, your heart and your energy while being calm and kind. You are truly a blessing to everyone who met you! Thank you!

Jennifer, -thank you! You ran socials with me previously, and then you stepped up to not only run socials this year, but to do so while finding innovative ways to host socials in a virtual space. You are so welcoming, and such a blessing to have in socials. You had great ideas, great follow through, and great communication. Thank you for all the time, effort and heart you put in for us all! For socials, the board and Book Club!

President's Continued Letter

Nicole R. and Linda, - thank you for stepping up to take on so much in this virtual world! From flyers, to newsletter, to advertising and marketing, for Hill support and website- your ideas, your creativity, your talks, your support, your honesty and your hours of work are not overlooked. In a year that was needing connection- you both made it possible to keep us all connected! Thank you!

Melissa, - there was such a need this year for us to reach out to give support. Thank you for providing that support with your cards and the hard work you put into the Energy Club! Thank you for your ideas and for helping to keep the club active!

Hannah, - you put in so many hours and found creative ways to keep up with changing mandates and rules to get our market running! Thank you for all of your efforts. I know next year will be the best one yet! You balanced so much to give your all to the market and it's appreciated!

Carolina, - with this crazy year, your amazing talents had to be on hold and yet you were always present with ideas, support and effort! Thank you for being such a big part of the club and I look forward to how your gifts will be shared next year.

Sharona, thank you for being willing to help with our Ways and Means in a year where everything was online! Thank you for your communication, creativity and efforts!

Cimara, -you put so much of yourself into the club. Attending meetings and making phone calls from your

hospital room and always checking in on the board and our members to see how each of us were doing. You are such a blessing. Thank you for paving the way for our scholarship program!

Katie, thank you for balancing all of our activities and the ever-changing ideas to help us to gather together and virtually all year! Thank you for your support, ideas and dedication! You are a treasure.

Thank you to all of our Activity Leaders for giving your time and innovation to help our members gather. I look forward to how you will continue to create those moments next year!

Thank you board for your friendship, support and time this year. Your gifts are abundant, and we are all blessed by you. Your sacrifices, your heart, your efforts and work are seen, and I appreciate you! Thank you, members, for your involvement. Without you, there is no Hill Spouses' Club! As military spouses, we have learned that life is an ever-changing balancing act and we appreciate you sharing that with us!

It was a pleasure and blessing to get to know you all and I thank you for the opportunity to share your joys and sorrows and to call so many of your friends.

I pray and wish you all a happy summer and beautiful next HSC Year! I hope you all continue to attend and bring friends! Due to life, duty and PCSing, most of our board will not be returning next year. If you want to share your time and talents on the board, please reach out to a board member.

Blessings to you and yours,
Sarah Mummert

Hill Spouses' Club
